The QUIC is designed to provide a brief snapshot of interactions occurring in a setting. The Universal Supports Team will determine who completes a QUIC and how often, as well as follow-up with completed QUICs.

To complete the QUIC:

1. Choose a time for your observation where you will have the full amount of time available. Turn off cell phone or other distracting devices you may carry.
2. Plan to spend 10 -15 minutes completing the QUIC.
3. Try to be as natural as possible while observing. Do not stand with a clipboard, pencil, stop watch, etc.
4. Record the name(s) of staff observed at the top of the page.
5. Indicate the location such as home or day program. Also indicate the setting within the home or day program where observation occurred.
6. Write the date of the observation. Be sure to include year.
7. Indicate the time the observation started and time it ended.
8. In the score column:
 - Place a check mark if the skill was demonstrated by staff observed for the duration of the observation or at every possible opportunity.
 - Place an X if the skill was not demonstrated by staff observed throughout the observation or at every opportunity. If an X were placed, be sure to specify in the comments column what opportunity was missed or what behavior staff exhibited that was inconsistent with interaction skill observed.
 - Place a N/A if there was no opportunity to observe skill.
 - **See Scoring Key for alternate scoring to be use with EXCEL Spreadsheet**
